## EDUCATION

**NOVEMBER 2019**

**BACHELOR OF INFORMATICS, IONIAN UNIVERSITY**

During my studies at University, I have participated in a variety of group and individual projects, that involved programming and managing of information systems. These projects helped acquiring skills such as teamwork and time management. They also gave me the opportunity to learn how to organize, complete and present my work.

Some of them are referred below:

- Management System for a brand New Company
- Automata computing system as a vocabulary checking program with Python
- Pac-Man, Super Mario, similar games with HTML
- Developing and Designing an E-Shop using Wordpress and Woocommerce
- Computing with Membranes, bibliographic project
- M/M/1 queue simulation with C

## SKILLS

- Sociable
- Flexible
- Problem Solving
- Fast Learner
- Team work

## ACTIVITIES

- Football
- Sailing
- Boxing
- Gaming
- Cooking
- Reading
